

# Supply Chain Assessment

Virtual Edition | Limited Attendees

23 March, Saturday, 2024 | 3:00 PM - 5:00 PM, IST

## THEME

Join us for an insightful webinar featuring two distinguished experts in the field of supply chain management: Mr. Shaik Abdul Khadar and Dr. Kalyana Chakravarthy. With over 30 years of hands-on experience, Mr. Khadar brings invaluable insights into supply chain assessment, execution, and transformation, while Dr. Chakravarthy, with over 18 years of experience, offers rich expertise in the domain. Together, they will delve into critical aspects of aligning business strategy with supply chain strategy, laying the foundation for organizational success in today's dynamic marketplace. From optimizing supply chain networks to implementing robust planning engines, they will share actionable strategies for achieving supply chain excellence.

Gain unparalleled insights into ensuring a smooth flow of materials, enhancing business process maturity, and navigating the complexities of the digital supply chain landscape. Join us to learn from industry leaders and discover comprehensive roadmaps for driving supply chain transformation initiatives. Don't miss this opportunity to unlock the full potential of your supply chain operations with the expertise of Mr. Khadar and Dr. Chakravarthy.
